

Counseling Psychology Clinical and Program Development

Our Mission

Hope Grows is a Pittsburgh based nonprofit that provides an environment that **empowers caregivers to seek wellness of mind, body, and spirit** through counseling, education, supportive services, and therapeutic respite opportunities. We work with our corporate healthcare partners in the area to provide quality support through unique coping and self-care programs.

Our approach incorporates a mindful, holistic, and positive approach using nature and gardening in our therapeutic model of mental health therapy and support groups, as well as therapeutic respite and short break programming. Our work includes grant-funded projects and a wellness retreat style bed and breakfast coming soon.
